THROUGH THE LOOKING GLASS

“For, you see, so many out-of-the-way things had happened lately, that Alice had begun to think that very few things indeed were really impossible.”

- Lewis Carroll, *Alice's Adventures in Wonderland & Through the Looking-Glass*

CALL FOR PAPERS – EXTENSION OF ABSTRACTS DEADLINE TO 18 MARCH 2016

We cordially invite international and national professionals to the 27th Annual Conference of the Southern African Institute for Industrial Engineering! We encourage both academia and industry to contribute to the conference with either Full Paper or Abstract-Only submissions on any Industrial Engineering related topic. Abstracts may be submitted electronically via the conference management system at <http://conferences.sun.ac.za/saiie27>. Full Academic or Industry Papers will require the submission of an abstract that will be followed by the submission of a full paper if accepted. The conference will follow a double blind peer review process in accordance with the requirements by the Department of Higher Education and Training.

The best papers will be reviewed and published as full journal papers in a special edition of the ISI-listed South African Journal of Industrial Engineering.
