SAIIE32
STEPS

OUR THEME FOR 2021, STEPS, INSPIRES THINKING ABOUT WHERE WE HAVE COME FROM AND WHERE WE ARE GOING TO. We encourage you to explore this theme and think about the journey that you are on. Consider observing and exploring each step as meaningful whether the step is a shuffle, a giant leap or a pirouette.

We invite everyone who is enthusiastic about sharing and learning to contribute to this conference. Authors are invited to submit an abstract on one of the following tracks: the full paper track or the abstract only track.

STEPS

ABSTRACTS ON THE FULL PAPER TRACK will require the submission of an abstract that will, if accepted, be followed by the submission of a full paper subject to a peer-review process. Papers that pass the peer review process will be published in the conference proceedings. The best papers will be reviewed and published as full journal papers in a special edition of the ISI-listed South African Journal of Industrial Engineering, without further reviewing.

ABSTRACTS ON THE ABSTRACT ONLY TRACK will require the submission of an abstract.

Accepted abstracts from both tracks will involve a presentation/video and a panel discussion session at the conference in October 2021.

We will also be running a series of virtual workshops early in 2021 to develop authors and reviewers and improve the quality of our collective work.
1. Planning your paper and writing a great abstract
2. How to structure and write a great paper
3. How to write a great review

To support the authors of our SAIIE community, we are planning a series of webinars leading up to the abstract and full paper submissions for our SAIIE32 conference.

The session is designed to inspire experienced and novice authors to structure their thoughts around paper ideas and prepare really great abstracts.

We encourage all authors who are thinking of submitting an abstract to the conference to attend – those that count their years in experience too!

The webinar will also provide an overview of our submission process and the new submission system.

RSVP for one or, preferably, all the sessions!
